CLARK MEMORIAL LIBRARY

As an association library, we are a community-supported institution, not a municipal department. Funding for keeping the library building open and in tip-top condition, supporting staff, and providing high-quality reading materials, services, and programs comes from grants and your donations.

While we are extremely grateful for the significant funding from the Town of Bethany and the Friends of the Library organization, your support plays a vital role in keeping our community well-informed, engaged, and connected. Your gift, of any size, will make a meaningful difference. How can you contribute?

- Your gift of $10.00 a month as Sustaining Patron (available automatically through PayPal or a credit card) can provide three adult audiobook downloads each month, six new children's book in a year, or two new print bestsellers for adults each quarter.
- Your gift of $50.00 will provide makerspace art or STEM materials for daily creative children's room activities for two months.
- Your annual gift in any amount allows us to continue to grow and develop to meet changing community needs.

During our Annual Fund Drive, we invite you to help ensure that the Bethany Library continues to thrive by offering robust collections, engaging programs and a welcoming space for all ages. Help us meet the needs of the present, while growing and planning for the future. Thank You!
